**10. Market Report-**

- Dogs at markets- possibility of banning. Develop phase out plan over 6months? Market coordinators believe it would discourage a lot of visitors. Overall complaints/incidents are small. Gold Coast council is currently going through process of banning dogs in Markets held on State owned land- to watch outcome of those proceedings and see if relevant to P&C markets.
- Monthly newsletter for stall holders- Heather and Warren asking if possible. Possibly do seasonal one. Only 2 stallholders asking for one therefore not needed. Market coordinators will continue to consistently lease with stall holders
- Dee returned 26<sup>th</sup> September- Kylie to continue once/month, Lesieli once/month, Dee fortnightly. Kerry sent out e-mail with roster until end April 2019.
