**Under the agreement for 2015
Fernvale State School will receive**

\$150,370*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

Support specific literacy program areas across the school namely:

- Improve the teaching of reading and levels of comprehension for all students in Prep to Year 6 to ensure that every teacher knows exactly what each student's level of reading and comprehension is and how to teach for this
- Focus on improving literacy levels of all prep students
- Particular focus of targeted literacy interventions for all Prep-Year Two students

Support specific Numeracy Program areas across the school namely:

- Improve Teaching and Learning strategies for all staff in the teaching of Numeracy
- Gain a measure of Math levels of students for all students Prep to Year 6
- Focus on Numeracy levels of all Prep students

Our strategy will be to

Improve student learning under the Literacy Program area by way of:

- Continuing to implement Probe for all students in Year 2-6
- Implement Early Start Literacy for all Prep and Year One students
- Implement "Intensive" Intervention programs to focus on Prep to Year Two students
- Purchase Literacy/Reading resources as required to support focused interventions and other Literacy support to students

Improve student learning under the Numeracy Program area by way of:

- Engaging a Numeracy Coach fulltime
- Implement PatM across the school
- Implement Early Start Numeracy for all Prep and Year One students
- Purchase Numeracy resources as required to support focused interventions and other Numeracy support to students
