

Fernvale State School

Attitude Action Achievement

Investing for Success 2018

In 2018 Fernvale State School received funding to support a number of initiatives.

Primarily funding was used to support specific literacy program areas across the school namely,

- Focus on literacy levels of all students
- Focus on targeted literacy interventions for all Prep – Yr 2 students
- Focus on oral language development for early years students
- Supplementing additional teacher aide hours across the school particularly in Prep

In the area of Numeracy funding was used to support:

- Improving teaching and learning strategies for all staff in teaching of numeracy
- Focusing on numeracy levels in the early years.

Through funding the following specific strategies were implemented as intended in 2018:

- Head of Curriculum position funded
- Teacher release to support Early Start
- Additional day of Speech Language Pathologist funded
- Additional Teacher Aide hours funded to support Literacy and Numeracy
- Extensive Professional Development funds used to support Reading agenda
- Funding used to support teacher release to Australian Curriculum Unit planning
- Funding used to purchase additional ICT and apps to support teaching and learning

'Every student matters, every day!'
