From the Principal

Over the course of the best part of last week and finishing today, our Year 3 and 5 students have undertaken the 2023 NAPLAN. Well done to all students and staff that have been involved in this process. Results for students and the school will be forwarded once all marking and collation of data has been completed by external sources for the school. NAPLAN is only one piece of information about an individual student or school and should not be relied on to be the “whole story” about an individual's performance. The child's class teacher will see the whole student and through a range of other teaching and learning activities will give a broader view of a student's academic, social and other strengths and also areas of development required.

Parent Teacher Interviews

I would highly encourage all parents/carers to ensure that you have booked an interview with your child's teacher through the online booking system for this Wednesday evening. With the lifting of restrictions for COVID face to face interviews will be held for the first time back in the Hall this year. May I please remind all families to please be on time for your booked interview. Interviews are only of 10 minute durations please adhere to your time in the fairness of all parties. Teachers will conclude all interviews after 10 minutes to ensure that all booked appointments can be undertaken during the afternoon/evening.

P&C AGM

Reminder that the P&C Association will hold their Annual General Meeting commencing at 6:30pm in the Administration Block. All positions will be declared vacant. I would highly encourage you to consider being involved in the P&C and maybe taking on an Executive role. Your support and attendance will be greatly appreciated.

The general meeting for the month of March will be held directly after the AGM. All are welcome to attend.

Sport Representative News

Our school is extremely proud to encourage all our students to trial for representative honours. Last week we had a significant number of our netball girls represent Lockyer Zone at the Western Ranges trial. Those being: Josie Wendt, Holly Babarovich, Ella Gillies, Charlie Mylne, Celine Schulz, Amelia Baker, Tahlia Proos, Zoe Gillies, Aleena Axford and Lara Phipps. Every young lady should be extremely proud of their performance at these trials and most pleasing have been the reports back to me of their outstanding sportsmanship and efforts through the whole trial day. Well done girls! A sincere thank you is also extended to the parents that supported their daughters by way of transporting the girls to the event and staying to support. Thank you!

Special congratulations is extended to Holly Babarovich, Ella Gilles and Charlie Mylne on being selected to represent Western Ranges to contest the Met West trials. Awesome effort ladies!

Final Parade for Term One

This Wednesday will be our final parade for the Term. At our parade on Wednesday our Year 4 Recorder Band and ANZAC Day Choir will perform for the school community. Our "Busy Bee" awards will also be announced at this parade also.

There will not be any parade in week 10 due to the Arts Council performances being held next Wednesday.

Kind regards,
David.

Is your child not at school today?

Whether they are sick, at an appointment
or on a family holiday, we need to know!!

Arts Council - Sticks and Stones

Our first Arts Council performance for the year will occur on Wednesday 29th March. **Thanks to the generous support of our P&C all children in Prep to Year 6 will be able to attend the performance of Sticks & Stones completely free of charge to families.**

'Sticks & Stones' is a live educational theatre performance that promotes resilience, cyber safety and positive connections. Children will attend the performance in three groups P-2 and 3-4 and 5-6.

10am: P- Year 2
11.30am: Years 5 - 6
2.00pm: Years 3 - 4

Brainstorm Productions

When things go wrong in Toby's life, or he feels frightened or threatened, he gets all churned up inside. His body tells him to fight, even YouTube and video games tell him to fight. He bullies other kids and is really unhappy. When Toby meets Joe, he starts to take responsibility for his actions. He learns to stop, breathe, put his hands in his pockets, walk away, count to ten, seek help and talk about his feelings. He becomes assertive and cooperates with other kids to create a circus routine with acrobatics, unicycling and juggling.

This exciting live theatre experience provides students with practical social and emotional skills, and encourages students to build positive connections at school and online.

Please see your child's teacher should you not wish for your child to participate.

Thank you to our P&C!

Caught in the Act of Learning – Sport

Congratulations to Charlie and Holly (Under 11's) along with Ella (Under 12's) and Gabby (past student) who represented Lockyer and made it through to the Western Ranges Netball trials last week.

Best of luck to all our Netball and Soccer teams who will play in their first round of interschool sport this Friday.

NAPLAN

Congratulations to our Year 3 and 5 students for the positive attitude they brought to NAPLAN testing last week. Children's courage and determination was obvious as they focused on doing their individual best across a range of disciplines.

Sounds-Write

Whilst we regularly acknowledge the efforts of our children to take on new learning, our teachers have been busy enhancing their skills too. We are fortunate enough to have had another group of teachers complete their Sounds-Write accreditation. This course represents 36 hours of online learning in the area of synthetic phonics. Teaching children to blend and segment the sounds of English can be complex but so much fun too. Well-done to our teaching team!

Gold Pass Tickets

Each day we strive to recognise and acknowledge the positive behaviour of our students as they demonstrate our school values of Honesty, Respect, Responsibility, Acceptance and Courage. Students earn Gold Pass Tickets throughout the week which are randomly drawn out in our weekly Gold Pass Ticket raffle.

Congratulations to last week's Gold Pass Ticket Raffle prize winners:

From the Head of Special Education Services

This week we are going to take on the Yellow Zone. When we are in the Yellow Zone, we have more energy and our feelings are getting stronger, such as feeling excited, fidgety, anxious, or frustrated. Although our feelings are becoming more intense, we usually still have a sense of control when in the Yellow Zone.

Being in the Yellow Zone can be helpful when competing in a game, doing a school performance, or playing with friends because a higher energy/alertness helps us engage and perform in these activities.

We might decide to regulate our Yellow Zone when our goal is to complete an assignment, trying to rest, or study in a group. Having more control and calmer energy may be more effective in accomplishing our tasks and supporting our well-being in certain situations. Some examples of Yellow Zone tools that might help in these situations are taking some deep breaths, using a fidget, positive self-talk, and connecting with someone for support.

Everyone has a different set of tools that work for them. What are your Yellow Zone tools?

Also, don't forget ALL THE ZONES ARE OKAY! It is natural and anticipated that we will move through various Zones throughout the day.
