

Investing for Success

Under this agreement for 2022
Fernvale State School will receive

\$263 137*

Carried forward funds 2021 - \$306 863
Total budgeted - **\$570 000**

This funding will be used to

- Support additional Human Resourcing across the school where required to meet student needs
- Support the capability development of staff to implement a quality Australian Curriculum
- Support improved A-E student achievement and learning outcomes for all students across the school
- Support improved digital technology access and infrastructure in the school.

Our initiatives include

The opportunity to improve student Literacy and Numeracy achievements through the following:

- Maintain a Head of Department - Curriculum
- Purchase additional classroom teachers
- Provide additional release time for classroom teachers to support the alignment of curriculum and pedagogy within the demands of the Australian Curriculum
- Purchase additional Speech and Language Pathologist time
- Implement “Early Start Literacy” for Early Years students
- Focus on Oral Language development in the Early Years students
- Enhance access to ICT and digital technologies for all students and infrastructure in the school hall.

Our school will improve student outcomes by

Total I4S expenditure includes 2022 I4S allocation plus additional funding carried over from 2021 I4S.
